Flicking Your Switch

Ladytron

Saw your visa card, and took a trip downtown
I don't really care that there's people all around
923 816, is the sound of that flicking your switch
815 194, does this mean you don't trust me anymore?
Does this mean you don't trust me anymore?
I'm so happy that your coming out to play
Now I'm only one cocaine decision away
369 248, is the sound of them closing your gate
815 194, does this mean you don't trust me anymore?
Does this mean you don't trust me anymore?
It's the time to head beyond the city lights
Now I don't recall there being warning signs
923 816, is the sound of that flicking your switch
815 934, does this mean you don't trust me anymore?
Does this mean you don't trust me anymore?
815 934, does this mean you don't trust me anymore?
Does this mean you don't trust me anymore?
