

God Loves Gospel Country

Lifebreakthrough

God loves Gospel country
It pleases His heart
He loves playing guitar In a wild country land God is great
God is love
God is everywhere we are
God is joy
God is peace
God is in the midst of us
God is faith
God is hope
God is living in our hearts
God is trust
God is power
God dwells in all of us
God loves Gospel country
It pleases His heart
He loves playing guitar
In a wild country land God loves country dancing
It pleases his heart
He loves the fiddle and banjo
The steel and slide guitar God is great
God is love
God is everywhere we are
God is joy
God is peace
God is in the midst of us
God is faith
God is hope
God is living in our hearts
God is trust
God is power
God dwells in all of us
God loves Gospel country
It pleases His heart
He loves playing guitar
In a wild country land God loves country dancing
It pleases his heart
He loves the fiddle and banjo
The steel and slide guitar
