

# Blue Skies

## Jamiroquai

So these are the figurines  
Acting out all the scenes before my eyes  
I thought I knew them all by name  
But they started looking much the same  
And it's no surprise  
That I don't wanna listen too much  
How can I give up on all the days I know I've won?  
There's nothing but rainbows  
I believe in the shadows  
Now honey, thought I might be dropping out  
But now I am gonna work it out, I am gonna work with me  
I am runnin' like another loser  
Then I'm rolling like a rusty ship on a stormy sea  
You know that people are saying  
Strange things  
Talk to the hand  
'Cause I know you think the face is gone  
I don't wanna listen too much  
I'm not gonna give up on all the days I know I've won  
There's nothing but blue sky  
There's nothing but blue sky  
Nothing's gonna stop me now  
I am skimming like a skipping stone on a silver lake  
I'll take it when the chips are down  
But to play the perfect happy clown  
You gotta make a mistake  
And people are saying strange things  
And I don't wanna listen too much, yeah  
Nothing but blue sky, blue sky  
How can I tell you I know this won't be the last song?  
I don't wanna listen too much  
Not gonna give up on all the days that I know I've won  
That's where I'm going  
'Cause there's nothing, nothing but blue sky  
That's where I'm going  
Nothing but rainbows falling down on me  
'Cause there'll be nothing but blue sky  
Can't you see that's where I'm going  
Got to believe me, that's where I am going

Blue sky  
That's where I'm going  
Blue sky  
That's where I'm going
