

Daydreaming (ft. Tiffany)

Cam'ron

Day dreaming and I'm thinking of you (x4) Look at my mind
Floating away [Cam'Ron]
I know f**kin' with a crook is whack
I lied cheated still took me back
What I do, turn around, ask you to cook me crack
Boost my work with a jerk and tell the truth it hurts
Cause you even ask me to come through to church
What I do, act second rate
I stole ten dollars out of the collection plate
But I'm ready to change
You got my heart, plus you smart
And the sex is great
And you hate rap
I like that girl
I argue with Keisha, I aint like that girl
You jumped, right out the car, to fight that girl
You be that (?) you aint have to bite that girl
And my baby got the best thighs
And my whip she aint never got to test drive
Copped here up, at five
You paid attention when no one acknowledge me
This is my public apology, Holla B [Chorus]
Hey baby lets get away lets go somewhere ah
Baby, can we
We can get the drop top or come through on the bike
We could go where you want we could do what you like tonight
Hey baby lets get away lets go somewhere ah
Baby, can we (where you wanna go)
Where Italy, what Sicily, tell me girl, Disney world [Tiffany]
He's the kind of guy that would say he baby lets get away
Lets go some place oh
Where I don't, care
He's the kind of guy that will give it everything and trust your
heart
Share all of your love, till death do you part I wanna be what he wants, when he wants it
Whenever he needs it
When your lonesome and feeling love start I'll be there to feed
it
Loving him a little bit more each day

Fears are at hold when I hear him say[Chorus]You helped me work when we was twelve and a half

You said Cam, what the f**k dog, we twelve and a half

That house cost millions, twelve and a half

But I still got them (?), twelve in the stash

You can't even get mad

Say what the hell just laugh

Standin' there beautiful like what I'm gon do with you

You wanted me to go to school and just play ball

What I do, go to school with that (?) -ball

Here come the (?), here come the (?)

Yeah I dealt that, I'm a hustla though

I can't help that

You was there when I flipped my first birds

Now we gon see my son take his first words

And um, absurd, I aint wanna be no singer ma

I just wanted eight carrots on your finger ma

Since were young, you thug me I thugged you

You hug me, I hugged you

You love me, I love you[Chorus]I wanna be what he wants, when he wants it

Whenever he needs it

When your lonesome and feeling love start I'll be there to feed

it

Loving him a little bit more each day

Fears are at hold when I hear him say[Chorus] - repeat 2XDay dreaming and I'm thinking of you (*14X*)

Look at my mind

Floating awayYou got me dreaming, (dreaming of you, yeah) day dreaming
