Madame Hollywood

The Fluids

Everybody wants to be Hollywood
The fame, the vanity, the glitz, the stories
One day, I'll become a great big starYou know like the big dipper
And maybe one day you can visit my condo
On the big hill you know like 9-0-2-1-0Just imagine my face in the magazine
People analyzing my look, my body or
Any plastic surgeryYou know like the big dipper
And maybe one day you can shake
My hand on the planet HollywoodYou say, I'm not underground
I'm rich, I'm famous, I vanish, I'm glitz
I am the story, I am the star
You know like the big dipperSex, drugs and rock 'n' roll
It's over
It's over
I decide, it's overEverybody wants to be Hollywood
And maybe one day you can visit my condo
On the big hill you know like 9-0-2-1-0, oh yeah
