

# Way Cool Jr. (Live from the Rockline Studio)

## Ratt

Oh, oh New kid in town got fancy clothes  
Old T-Bird car, baby you can tell your nose  
He said, Where is all the action in this town?  
Stop working on the women it's on real slick  
Heard enough about sin, girl, gonna make it stick  
Hey! What makes him so special anyhow? She said, He's so good lookin', that's a fact  
Steel guitars run across his back  
The girls all know he's Way Cool Jr. Check him out on his good side Heard he came from Memphis  
Somewhere down south  
Started hangin' with the blues crowd  
That's how he got that crazy sound  
What is all this talkin' goin' 'round? She said, He's so good lookin', he turns me on  
Out all night, he keeps me up 'til dawn  
The girls all know he's Way Cool Jr. You know you can't have fire without the flame  
You can't keep the fortune without the pain  
That's how he makes it when he's on his own Way Cool Jr.  
You don't live it up or never live it down  
Way Cool Jr.  
He's the hottest thing to ever hit this town  
Go man go She said, He's so good lookin' and that's a fact  
Steel guitar scratched off the back  
Everybody knows it's Way Cool Jr. You know you can't have fire without the flame  
You can't keep the fortune without the pain  
That's how he makes it when he's on his own Way Cool Jr.  
Always comin' 'round the bend  
Way Cool Jr.  
He's gonna live it up or never live it down Way Cool Jr. Way Cool Jr.
