From This Moment On

John Coltrane

From this moment on
You for me, dear
Only two for tea, dear
From this moment onFrom this happy day
No more blue songs
Only hoop-de-doo songs
From this moment onYou've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnightFrom this moment on
You and I, babe
We'll be ridin' high, babe
Every care is gone
From this moment onYou've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnightFrom this moment on
You and I, babe
We'll be ridin' high, babe
Every care is gone
From this moment
From this moment
This very moment
This moment on
