Make Me Belong to You

Barbara Lewis

Darlin', I am whatever you make me
So baby, baby whatever you make me
Make me belong to youI can be a beggar or a queen
You've got the power to make me anything
You've got the power so open your heart
It's up to youYeah, 'cause darlin' I am whatever you make me
So baby, baby whatever you make me
Make me belong to youI can be a puppet on a string
You've got the power to make me anything
You've got the power so open your heart
It's up to youYeah, 'cause darlin' I am whatever you make me
So baby, baby whatever you make me
Make me belong to youSo baby, baby whatever you make me
Make me belong to you
So baby, baby whatever you make me
