

Innocent Eyes

Guitar Gangsters

Do you remember when you were seven?

And the only thing that you wanted to do

Was show your mum that you could play the piano

Ten years have passed

And the one thing that lasts

Is that same old song that we played along and made my mumma cry I miss those days and I miss those ways

When I got lost in fantasies

In a cartoon land of mysteries

In a place you won't grow old in a place you won't feel cold and I'll sing Da da

Seems I'm lost in my reflection

Da da

Find a star for my direction

Da da

For the little girl inside who won't just hide

Don't let me see mistakes and lies

Let me keep my faith and innocent eyes

My innocent eyes Do you remember when you were fifteen?

And the kids at school called you a fool 'cause you took the chance to dream

In the time that's past and the one thing that lasts

Is that same old song that we played along and made my daddy cry I miss those days and I miss those ways

When I got lost in fantasies

In a cartoon land of mysteries

In a place you won't grow old in a place you won't feel cold and I'll sing Da da

Seems I'm lost in my reflection

Da da

Find a star for my direction

Da da

For the little girl inside who won't just hide

Don't let me see mistakes and lies

Let me keep my faith and innocent eyes

My innocent eyes Under my feeling under my skin

Under the thoughts from within

Learning the subtext

Of the mind

See creation how where defined Da da

Seems I'm lost in my reflection

Da da

Find a star for my direction

Da da

For the little girl inside who won't just hide
Don't let me see mistakes and lies
Let me keep my faith and innocent eyes
My innocent eyes
