

Blue Collar Jane (Live Version)

The Strypes

Blue collar Jane lives in fifty four
Always has a teacup when she knocks upon my door
She just wants some milk and sugar but all I want is her
Blue collar Jane, my girl, you're causing quite a stir
All we could be, b-l-u-e
C-o-l-l-a-r J-a-n-e, oh baby please
If you could see, then you'd agree
That I love blue collar Jane and she loves me
Blue collar Jane, always in your town
Never wears her hair up cause she's always dressing down
You got a four wheel drive
You know that's how she gets around
Blue collar Jane, my girl, you knock me to the ground
All we could be, b-l-u-e
C-o-l-l-a-r J-a-n-e, oh baby please
If you could see, then you'd agree
That I love blue collar Jane and she loves me
Watch out!
Blue collar Jane, always in your town
Never wears her hair up cause she's always dressing down
You got a four wheel drive
You know that's how she gets around
Blue collar Jane, my girl, you knock me to the ground
All we could be, b-l-u-e
C-o-l-l-a-r J-a-n-e, oh baby please
If you could see, then you'd agree
That I love blue collar Jane and she loves me
That I love blue collar Jane and she loves me
