Looked in Too

together PANGEA

i guess you really don't care
i guess you really don't mind
it's just the smoke in the air
and i look in your eyes
i guess you're really not scared
you could be really losing your mind
it's just the smoke in the air
and i look in your eyes
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
i guess you really don't care
i guess you really don't mind
it's just the smoke in the air
and i look in your eyes
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
i looked in too, i looked in too
