

All At Sea

Jamie Cullum

I'm all at sea
Where no one can bother me
Forgot my roots If only for a day
Just me and my thoughts
Sailing far away Like a warm drink it seeps into my soul
Please just leave me right here on my own
Later on you could spend some time with me
If you want to, all at sea I'm all at sea
Where no one can bother me
I sleep by myself I drink on my own
I don't speak to nobody
I gave away my phone Like a warm drink it seeps into my soul
Please just leave me right here on my own
Later on you could spend some time with me
If you want to, all at sea Now I need you more than ever
I need you more than ever now If you don't need it every day
But sometimes don't you just crave
To disappear within your mind
You never know what you might find So come and spend some time with me
And we will spend it all at sea Like a warm drink it seeps into my soul
Please just leave me right here on my own
Later on you could spend some time with me
If you want to, all at sea Ooh, if you want to, all at sea
If you want to
