All At Sea

Jamie Cullum

I'm all at sea Where no one can bother me Forgot my rootsIf only for a day Just me and my thoughts Sailing far awayLike a warm drink it seeps into my soul Please just leave me right here on my own Later on you could spend some time with me If you want to, all at seaI'm all at sea Where no one can bother me I sleep by myselfI drink on my own I don't speak to nobody I gave away my phoneLike a warm drink it seeps into my soul Please just leave me right here on my own Later on you could spend some time with me If you want to, all at seaNow I need you more than ever I need you more than ever nowIf you don't need it every day But sometimes don't you just crave To disappear within your mind You never know what you might findSo come and spend some time with me And we will spend it all at seaLike a warm drink it seeps into my soul Please just leave me right here on my own Later on you could spend some time with me If you want to, all at seaOoh, if you want to, all at sea If you want to
