Breakfast At Tiffany's (Album Version)

Deep Blue Something

You'll say we've got nothing in common
No common ground to start from
And we're falling apart
You say the world has come between us
Our lives have come between us
Still I know you just don't careAnd I said "What about Breakfast at Tiffany's?"
She said "I think I remember the film
And as I recall, I think we both kinda liked it"
And I said "Well, that's the one thing we've got"I see you, the only one who knew me
But now your eyes see through me
I guess I was wrong
So what now? It's plain to see we're over
I hate when things are over
When so much is left undoneAnd I said "What about Breakfast at Tiffany's?"
She said "I think I remember the film
And as I recall, I think we both kinda liked it"
And I said "Well, that's the one thing we've got"You say we've got nothing in common
No common ground to start from
And we're falling apart
You say the world has come between us
Our lives have come between us
But I know you just don't careAnd I said "What about Breakfast at Tiffany's?"
She said "I think I remember the film
And as I recall, I think we both kinda liked it"
And I said "Well, that's the one thing we've got"
