

# Breakfast At Tiffany's (Album Version)

## Deep Blue Something

You'll say we've got nothing in common  
No common ground to start from  
And we're falling apart  
You say the world has come between us  
Our lives have come between us  
Still I know you just don't care And I said "What about Breakfast at Tiffany's?"  
She said "I think I remember the film  
And as I recall, I think we both kinda liked it"  
And I said "Well, that's the one thing we've got" I see you, the only one who knew me  
But now your eyes see through me  
I guess I was wrong  
So what now? It's plain to see we're over  
I hate when things are over  
When so much is left undone And I said "What about Breakfast at Tiffany's?"  
She said "I think I remember the film  
And as I recall, I think we both kinda liked it"  
And I said "Well, that's the one thing we've got" You say we've got nothing in common  
No common ground to start from  
And we're falling apart  
You say the world has come between us  
Our lives have come between us  
But I know you just don't care And I said "What about Breakfast at Tiffany's?"  
She said "I think I remember the film  
And as I recall, I think we both kinda liked it"  
And I said "Well, that's the one thing we've got"
