

I Can't Wait

She Said Disco

Honey if the two.
On just know Iâ€™ll clear a door.

Itâ€™s so good to hear your voice.
Love with you Iâ€™m making for.

Wouldnâ€™t work all day.
I just dream to block last night.

Itâ€™s incredible sometimes.
Having love I canâ€™t my life.

Honey yes I do.
Feel the closer all the time.

And Iâ€™m fine fall at the one.
That you canâ€™t get of your mind.

I canâ€™t wait.
â€™Till I loose this sweary day in your embrace.
To see a base.
Donâ€™t belong â€™cause I canâ€™t wait.
Yeah.

Honey if the two.
On just know Iâ€™ll clear a door.

Itâ€™s so good to hear your voice.
Love with you Iâ€™m making for.

Wouldnâ€™t work all day.
I just dream to block last night.

Itâ€™s incredible sometimes.
Having love I canâ€™t my life.

Honey yes I do.
Feel the closer all the time.

And Iâ€™m fine fall at the one.

That you can't get of your mind.

I can't wait.

~Till I loose this sweary day in your embrace.

To see a base.

Don't belong ~cause I can't wait.

Yeah.
