Don't Send Me No Flowers

Demented Are Go!

Don't send me no flowers ain't dead yet
Don't put no headstone on my grave
She belongs to me I intend to keep her
I'm used to getting everything I crave
I ain't come across yet a girl I couldn't get when I wanted her
Don't count your chicks before you can hatch them
Can't crack this shell for your focus lies
She ain't about to leave me for you
She wants me now take a look at her eyes
I ain't come across yet a girl I couldn't get when I wanted her
I ain't come across yet a girl I couldn't get when I wanted her
Don't send me now flowers yet I ain't dead yet
Don't put no headstone on my grave
I ain't dead yet
