Shikidim

Tarkan

I've been watching you across the room
Hypnotize all the eyes on you
Find it hard trying to keep my cool
But I know it ain't gonna last
Think I see where this can lead
All the signs are there warning me
A girl like you could take me down too deep
I can tell, you're into moving fastThe way you work it on the floor
Makes me want it even more
Something more than just a dance
The way you tempting me
The way you teasing me
And it's killing meOh baby shikidim shikidim
Oynama shikidim shikidim
Yeah baby shikidim shikidim
Ah yanar doner a-acayipsin
Oh baby shikidim shikidim
Oynama shikidim shikdim
I wanna see you shikidim shikidim
Ah yanar doner a-acayipsinYou don't try to hide what you say
It's anything you do
And I like all the games that you play
It's everything about youOh baby shikidim shikidim
Oynama shikidim shikidim
Yeah baby shikidim shikidim
Ah yanar doner a-acayipsin
Oh baby shikidim shikidim
Oynama shikidim shikdim
I wanna see you shikidim shikidim
Ah yanar doner a-acayipsinI wanna steal a kiss from your lips
Then we go step further than this
Baby you're the one the only one
Whose impossible to resistThe way you work it on the floor
Makes me want it even more
Something more than just a dance
The way you tempting me
The way you teasing me
And it's killing me[Chorus]You don't try to hide what you say
It's anything you do

And I like all the games that you play
It's everything about you[Chorus]
