Cry Over Me

[Meat Loaf](#)

Another night sleepless
I don't want to feel this
Nothing can stop this pain
Trying to get to a time I forget you
Still tangled in yesterdayIt's so easy for you
To give nothing for me
Did you ever feel anything?I want you to cry over me
Die over me
Even for a moment
Even for a momentI want you to hurt over me
Feel what I feel
I want you to cry over, die over me
Baby, just for one timeI want your heart broken
Some sign of emotion
Wanna to see the tears tumble downShow me I meant something
And that you feel nothing
But your world crashing to the groundIt's so easy for you
To forget about me
Did I ever mean anything?I want you to cry over me
Die over me
Even for a moment
Even for a momentI want you to hurt over me
Feel what I feel
I want you to cry over, die over me
Baby, just for one timeCry, cry, cryBut did you feel something?
Did we mean nothing at all?I want you to cry over, cry over me
Die over me
Even for a moment
Even for a momentI want you to hurt over me
Feel what I feel
Even for a moment
Oh, why can't you just cry over, die over meBaby, why can't you hurt like I do
Like I hurt over you
Can't you cry over, die over me
Baby, just for one timeI want you to cry over, die over me
Baby, want you to fall on your knees
Baby, crawl back to me
Want you to cry over, die over me
Baby, just one timeCry, cry, cry
