

# Little Miss Sorrow

Roxette

She had those magic eyes you could see from miles around  
She wore her summer dresses bright  
Quite like the sky  
She always came in colours  
All smiles in daffodils  
She let her hair down in the breeze But every little thing has changed today - little Miss Sorrow  
Every little thing turned pale and faded - little Miss Sorrow  
The sunlight doesn't show  
Although the colours go  
Out through the window She used to go out dancing  
Cool silver fingernails  
I used to watch her from the bar  
Following her car  
She always came in colours  
She always kept control  
She painted yesterday in gold But every little thing turned grey today - little Miss Sorrow  
Every little thing turned pale and faded - little Miss Sorrow  
The sunlight doesn't show  
All the colours go  
Even the rainbow Allow me to introduce myself  
I'm just a local boy  
She was my little Miss Joy  
I want to call her name  
My life won't be the same  
Dear God Every little thing has changed today - little Miss Sorrow  
Every little thing turned pale and faded - little Miss Sorrow  
Yes, every little thing turned grey today - little Miss Sorrow  
The weakling plays the strong  
The bird forgot the song  
What's going on?  
What's going on?  
Tell me what's going on?  
What's going on?  
What's going on?  
Tell me what's going on?
