

Suspended in Gaffa

Kate Bush

Out in the garden
There's half of a heaven
And we're only bluffing
We're not ones for busting through walls But they've told us
Unless we can prove
That we're doing it
We can't have it all He's gonna wangle
A way to get out of it
She's an excuse
And a witness who'll talk when he's called But they've told us
Unless we can prove
That we're doing it
We can't have it all
We can't have it all "I caught a glimpse of a god, all shining and bright..." Suddenly my feet are feet of mud
It all goes slo-mo
I don't know why I'm crying
Am I suspended in Gaffa?
Not until I'm ready for you,
Not until I'm ready for you
Can I have it all I try to get nearer
But as it gets clearer
There's something appears in the way
It's a plank in me eye With a camel
Who's trying to get through it
Am I doing it?
Can I have it all now? I pull out the plank and say
"Thank you for yanking me back to the fact that there's always something to distract..." But sometimes it's hard
To know if I'm doing it right
Can I have it all?
Can I have it all now?
We can't have it all "We all have a dream...maybe..." Suddenly my feet are feet of mud
It all goes slo-mo
I don't know why I'm crying
Am I suspended in Gaffa?
Not until I'm ready for you,
Not until I'm ready for you
Can I have it all I won't open boxes
That I am told not to
I'm not a Pandora

I'm much more like
That girl in the mirror between you and me
She don't stand a chance of getting anywhere at all
Not anywhere at all
No, not a thing
She can't have it all"Mother, where are the angels? I'm scared of the changes"Suddenly my feet are feet of mud
It all goes slo-mo
I don't know why I'm crying
Am I suspended in Gaffa?
Not until I'm ready for you
Not until I'm ready for you
Can I have it all
