

# Sweet Little Girl

Stevie Wonder

Sweet little girl  
You know your baby loves you  
Your love is driving me crazy, crazy, crazy  
Sweet little girl Sweet little girl  
You know your baby Steve is true  
Your love is driving me crazy, crazy, crazy  
Girl, I'm in love Hey, my sweet, sweet momma  
You know you drive your baby mad  
Oh my sweet, sweet momma  
You're driving me mad Come on baby  
You know your baby loves you  
I've given you cookies and candy and the woofer  
And you still don't wanna be good Come on now honey-sugar  
You know your baby loves you  
More than I love my clarinet  
So baby, do me good, do me good baby Sweet little girl  
You know your baby loves you  
Your love is driving me crazy, crazy, crazy  
Sweet little girl Come on baby  
You know your baby loves you  
Your love is driving me crazy, crazy, crazy  
Sweet love thing Oh, you got good lovin'  
You know you make your baby mad  
Whoa, you got good lovin'  
The best that I've ever had Come on now baby  
You hear the phone ring  
And sometimes you don't even answer  
And you know I love you  
You now just treat me all kind of ways Come on now, honey sugar  
You know your pretty baby is  
Waitin' on your on your love doll  
You know you got my load are you? Can't you hear me talking to you, honey?  
I try to treat you good and give you everything you want  
And sometimes I see you making love with your love doll  
But I still love you more than I love my clarinet Come on now honey-sugar  
You know your baby love  
You know just the other day  
I was gonna take you to go see a movie  
Sweet, sweet back 'Cause I thought it might give you some inspiration

'Cause we ain't made love in so long  
Come on now sweet little sugar, honey baby  
Now what if you know I was gonna to put my harmonica down  
Just to make love to you Come on now honey  
You know the woofer's waiting on you  
Come on now baby  
You know your baby loves you  
Even more than he loves his clarinet Don't make me get mad and act like a nigger
