

Hot Mess

Ashley Tisdale

I'm a mess when it comes to you
I've got no inhibitions whatsoever, it's true
I'm not the kind of girl who runs around like this
Caught up in a kiss, best friends with benefits, no
But you're so racy, you're my favorite guy
So unruly, so uncivilized
Cupid got me right between my eyes
You know you got me real bad
Doing things that you never did
Oh oh, woah, oh, oh oh, woah, oh
You wake up in your bra and your makeup
Oh oh, woah, oh, oh oh, woah, oh
Park in the driveway, parked sideways
Yeah, I know this is killing me
I'm leaving every piece of my conscience behind
Oh oh, woah, oh, oh oh, woah, oh
I'm such a hot mess, I'm such a hot mess
I'm such a hot mess with you
With you, I never knew
Loving you could be so fun
It's true, I was such a good, good girl
Before you came along
But you're so racy, you're my favorite guy
So unruly, so uncivilized
Cupid got me right between my eyes
You know you got me real bad
Doing things that you never did
Oh oh, woah, oh, oh oh, woah, oh
You wake up in your bra and your makeup
Oh oh, woah, oh, oh oh, woah, oh
Park in the driveway, parked sideways
Yeah, I know this is killing me
I'm leaving every piece of my conscience behind
Oh oh, woah, oh, oh oh, woah, oh
I'm such a hot mess, I'm such a hot mess
I'm such a hot mess with you
I'm getting speeding tickets
I'm acting just like a misfit
I'm letting my mail pile up to the ceiling

You're making me irresponsible
'Cause I just wanna be with you
Act rambunctious and see what I do
Go hard, hit that gas
Living life like it's all you have
Push, push hard and make it last
All this love is worth the mess, hot mess
Oh oh, woah, oh, oh oh, woah, oh
You wake up in your bra and your makeup
Oh oh, woah, oh, oh oh, woah, oh
Park in the driveway, parked sideways
Yeah, I know this is killing me
I'm leaving every piece of my conscience behind
Oh oh, woah, oh, oh oh, woah, oh
I'm such a hot mess, I'm such a hot mess
I'm such a hot mess with you
