Do What I Can

Bad Dreams

Oh lady don't you worry
I'm just in a flurry now
But the wind is picking up now
And the new newspapers all over town

And I say what's on my mind
From here on out
And I am fine

Okay yeah
Sure Jim is a friend of mine
But he is running out of time

I'll do what I can for you here
I'll do what I can for you here

Dad whatever you have
I'm sure it's living in me
Cause I'm convinced
That all of this has been the best for me

And I say what's on my mind
Most of the time
And I am fine

Okay yeah
I could barely walk a mile
But I am running now
Running now

I'll do what I can for you here
I'll do what I can for you here
I'll do what I can for you here
I'll do what I can

I know you've thought
About everything you could have done
I know your home
Is on fire with the things you've done wrong
Cause I live there too

Yeah I live there too

I'll do what I can for you here
I'll do what I can for you here
I'll do what I can for you here
I'll do what I can
