Burn To Burn

Static-x

Static in sound
Static in sound
Uncurable
You plant the seed
You fill the need
We give to take
We give to take
Our eyes
They burn
Sensin' the feel
Feelin' the real
Burn to burn
The seed we sow
Burn to flow
Into the sorrow
Burn to burn

Burn to grow
Into the sorrow
I'm starin' deep
I'm starin' bleak
I search in vain
Your flower grows
Your mother knows
As winter comes
As time passes
We forget the
Static in sound
Static in sound
Burn to burn
The seed we sow
Burn to flow
Into the sorrow
Burn to burn
The seed we sow
Burn to grow
Into the sorrow
Burn to burn
Burn to flow

Burn to burn
Burn to grow
Burn to burn
Burn to flow
Burn to burn
Burn to grow
Static in sound
Static in sound
Delusional
You plant the seed
You fill the need
We give to take
We give to take
Our eyes
They burn
Sensin' the feel
Feelin' the real
Burn to burn
The seed we sow
Burn to flow
Into the sorrow
Burn to burn
The seed we sow
Burn to grow
Into the sorrow
Burn to burn
The seed we sow
Burn to flow
Into the sorrow
Burn to burn
The seed we sow
Burn to grow
Into the sorrow
