E.S.P.

Buzzcocks

Do you believe in E.S.P.?
I do and I'm tryna get through to you
If you're picking up off me
Then you know just what to do, thinkBrainwaves transmitted from my mind
Of a magnetic kind
I don't know what to do
If I can't get through to you, so thinkDo you believe in E.S.P.?
I been tryna get through to you
If you've been picking up off me
Then you'll know just what to do, don't you?
