

The Drums

Baby Loves Jazz

wooooooooooooooo
the drums once loudly resonant
 dont resonate in tune
 a drumming feels a little slow
 yet somehow comes too soon
bruuuuu? skin cant take another hit
 without you
the pockets were once lined in time
 the seems seemed to pay a thread
emptying my pockets now finds crumbs where there was bread
smooooooth skin asking only for a hit
 and asking nice
the drums the drums the drums
the drums the drums the drums
the drums the drums the drums
