Rainbow in the Dark (Dio's Inferno)

Dio

When there's lightning, you know it always brings me down

'Cause it's free and I see that it's me

Who's lost and never found

I cry out for magic, I feel it dancing in the light

It was cold, I lost my hold

To the shadows of the nightNo sign of the morning coming

You've been left on your own

Like a rainbow in the dark

A rainbow in the darkDo your demons, do they ever let you go?

When you've tried, do they hide, deep inside

Is it someone that you know

You're just a picture, your're an image caught in time

We're a lie, you and I

We're words without a rhymeThere's no sign of the morning coming

You've been left on your own

Like a rainbow in the dark

Just a rainbow in the dark, yeahWhen I see lightning, you know it always brings me down

'Cause it's free and I see that it's me

Who's lost and never found

Feel the magic, I feel it floating in the air

But it's fear, and you'll hear

It calling you bewareLook out

There's no sight of the morning coming

There's no sight of the day

You've been left on your own

Like a rainbow

Like a rainbow in the dark, yeah

You're a rainbow in the dark

Just a rainbow in the dark

No sign of the morning

You're a rainbow in the dark
