# Maybe This Time

## Sarah Geronimo

Oh
Oh...Two old friends meet again
Wearing older faces
And talk about the places they've beenTwo old sweethearts who fell apart
Somewhere long ago
How are they to know
Someday they'd meet again
And have a need for more
Than reminiscin'Maybe this time
It'll be loving they'll find
Maybe now they can be more
Than just friends
She's back in his life
And it feels so right
Maybe this time, love won't endYeah...It's the same old feeling back again
It's the one that they had way when
They were too young to know
When love is realBut somehow, some things never change
And even time hasn't cooled the flame
It's burning even brighter
Than it did before
It got another chance
And if they take itMaybe this time
It'll be loving they'll find
Maybe now they can be more
Than just friends
She's back in his life
And it feels so right
Maybe this time, love won't endShe's smiling like she used
To smile way back then
She's feeling like she used
To feel way back when
They tried, but something kept them
Waiting for this magic moment...Oh...Maybe this time
It'll be loving they'll find
Maybe now they can be more
Than just friends, oh...
She's back in his life
And it feels so right

Maybe this time
Maybe this time
Maybe this time...Love won't end...
