

Get Up (Astronomy Version)

Bleach

Get up, get up, get out, yeah
Get up, get up, get out, yeah Bring it back just one more time
I hope that you might find
A way to see more clearly now Complacent you've been paralyzed
Ambitions all run dry
So bring it on back, you gotta get back
Bring it on back, now Get up, get up, get out, yeah
Get up, get up, get out, yeah So lift your head up, hold it high
You have got to try
To bring it on back, you gotta get it back
Bring it on back, now Get up, get up, get out, yeah
Get up, get up, get out, yeah
Get up, get up, get out, yeah
Get up, get up, get out, yeah Get up, get up, get out, yeah
Get up, get up, get out, yeah
Get up, get up, get out, yeah
Get up, get up, get out, yeah So bring it back just one more
Bring it back just one more
Bring it back just one more time
Bring it back just one more
Bring it back just one more
Bring it back just one more time
