

# **This I Know**

## **Skyhead**

Let my Soul be a Silent Sword  
Conceived in the Fire of War  
I Am the Ruthless Bane of the Wicked World  
And I prayed on the killing sworn  
When I Carve my Name across this place it is  
True to Violent Pain and by Your Ways  
And Every Breath like a Threat for Tomorrow's embrace?  
And the Battle is my Way  
I will go this path Alone  
I will Take unto my Prey  
This I Know  
ALL OTHERS WILL FALL  
Let my Will be a Violent Path  
To Tear Apart what's left  
All Will Falls down around my feet when I speak with a Word of Wrath  
When I Carve my Name across this place it is  
True to Violent Pain and by Your Ways  
And Every Breath like a Threat for Tomorrow's embrace?  
And the Battle is my Way  
I will go this path Alone  
  
I will Take unto my Prey  
This I Know  
All my life will sing the pain  
My Suffering will show  
In the Fight I find my Name  
This I Know  
THE WEIGHT OF MY CALL  
ONE NAME ABOVE ALL  
ALL OTHERS WILL FALL  
And the Battle is my Way  
I will go this path Alone  
I will Take unto my Prey  
This I Know  
All my life will sing the pain  
My Suffering will show  
In the Fight I find my Name  
This I Know  
THE WEIGHT OF MY CALL

ONE NAME ABOVE ALL  
ALL OTHERS WILL FALL
