

Nearer To You

Betty Harris

I made you think
You don't understand
But remember I'm only doing
The best I can Every little thing I do
I'm just trying to get
Closer to you (Nearer, nearer) I'm sorry if I seem, ooh, yeah
A little bit stubborn sometimes
I hope I'm not being
A nuisance to you
I know you said
That you'd be home soon
I got to be nearer
Nearer to you Every little thing I do
I'm just trying to get
Closer to you (Nearer, nearer)
Every little thing I do
I'm just trying to get
Closer to you I got to be nearer
Nearer to you
