

# I Feel A Song (In My Heart)

Bob James

Ooh, I love you so  
But why I love you I'll never know  
You found a reason for leavin'  
Soon as I gave my love to you

And oh...ah...whoa...the pain you put me through  
You don't care 'bout my love for you, huh  
But I found a reason for livin'  
And I'm through with cryin' over you

And now I feel a song in my heart again  
I knew as soon as I felt him lookin' through me  
I feel a song in my heart again  
High on the wings of the things he's doin' to me

Oh, that a man is fine  
Ooh, what's even better the man is mine  
He makes me feel just like a woman  
Something that you could never do

And now I feel a song in my heart again  
I found a man who can out it all together  
I feel a song in my heart again  
I'm gonna love him and make it last forever

Our worlds have come to an end  
I feel a song in my heart again

Oh...oh...oh...it feels so good  
You, you, you, you, you never understood  
He makes me feel like I'm somethin'  
And I'm gonna keep him if I can

I know I feel a song in my heart again  
Now I can open my eyes to a new door  
I feel a song in my heart again  
The man is all that I need to fill my love up

I feel a song, ooh, what a feelin'  
I feel it takin' me higher and higher

I feel a song in my heart again  
His kind of lovin' I can never get enough of

I don't need your lovin' 'cause I got his lovin'  
Woo, I feel a song again, ooh, y'all, I've been born again, ooh...  
[I feel a song in my heart again]  
[Feel it]

I feel a song in my heart again  
I've got to tell you he's twice the man that you were  
I feel a song in my heart again
