

Forever

Turin Brakes

Ooh, oohInch by inch
I'm infected by your love
Head to toe
I'm chemically changed foreverOh, take me back
To your house again, my love
I want to roam
Through your fields again, my love, foreverOoh, oohI feel like, I'm falling
I'm falling, for you, foreverFrom head to toe
I'm infected by your love
Inch by inch
I'm chemically changed
