

40 Grand in the Hole

Mike Doughty

40 grand in the hole
Scraping my dreams out of the sugar bowl
My love for you's corrupt
Write down the words and then I snort them up
When will I love someone?
When will someone be mine?
40 grand in the hole
I'm gonna open it up and let my yearning shine
Hours that I have slept
Slumping down, down like a narcoleptic
Surrendering to joy
Standing in line at Teriyaki Boy
When will I love someone?
When will someone be mine?
40 grand in the hole
I'm gonna open it up and let my yearning shine
When will I hear the click?
When will I know that it is time to split?
What is the use of it?
What is my life without the heart at risk?
When will I love someone?
When will someone be mine?
40 grand in the hole
I'm gonna open it up and let my yearning shine
