

# Gee Whiz It's You (Stereo)

## Cliff Richard & The Shadows

Well who's that walking down the street  
Pickin' up those dainty little feet  
Who's the one that catches my eye  
Everytime she passes by  
Gee whiz it's you Ever since we said goodbye  
All because of a little white lie  
Let me tell you why we parted  
Let me tell you what my heart said  
Gee whiz it's you  
You're the one that makes me blue  
Gee whiz it's you  
You're the one who can't be true Little darling want you hear my plea  
Want you please come back to me  
We can pick up where we started  
Listen now to what my heart said  
Mmmm  
Gee whiz it's you Gee whiz it's you  
You're the one that makes me blue  
Gee whiz it's you  
You're the one who can't be true  
Little darling want you hear my plea  
Want you please come back to me  
We can pick up where we started  
Listen now to what my heart said  
Mmmm Gee whiz it's you
