Wrong

Motograter

I hear voices, deep within me
Finding out im, no so strong
Sometimes i dont, think so clearly
Get the feeling, somethings wrong
WRONG
GOT IT WRONG
ALWAYS WRONG
SOMETHINGS WRONG
It makes us a scab onto the world
It seems my lifes been a pause
Wishing on a star
I'm just a poster of what we shouldnt be
I put the whole world in a noose
On the surface, i seem normal
Everythings as, it should be
Farther down though, im so ugly
Something you wont, ever see
WRONG
GOT IT WRONG
ALWAYS WRONG
SOMETHINGS WRONG
It makes us a scab onto the world
It seems my lifes been a pause
Wishing on a star
I'm just a poster of what you shouldnt be
I put the whole world in a noose
Lately i dont, feel so healthy
Get the feeling, somethings wrong
WRONG
GOT IT WRONG
ALWAYS WRONG
SOMETHINGS WRONG
It makes us a scab onto the world
It seems my lifes been a pause
Wishing on a star
I'm just a poster for what I shouldnt be
You put this whole world in our LIFE
