

# I Don't Hurt Anymore

[Johnny Cash](#)

It don't hurt anymore, all my teardrops have dried  
No more walking the floor with that burning inside  
Just to think it could be, time has opened the door  
And at last I am free, I don't hurt anymore  
No use to deny, I wanted to die the day you said we were through  
But now that I find you're out of my mind I can't believe that it's true  
I've forgotten somehow that I cared so before  
And it's wonderful now, I don't hurt anymore  
No use to deny, I wanted to die the day you said we were through  
But now that I find you're out of my mind I can't believe that it's true  
I've forgotten somehow that I cared so before  
And it's wonderful now, I don't hurt anymore
