Bec Stevens

We're directionless,
Another drink I'll become so, very reckless
On the floor in front of you.
Emotionless,
Every time you'd pass my room.
Well I've questioned this
And what the hell I'm going to do,
With this goddamn mess
That we got ourselves into.

And I can't live like this when you're sleeping in the next room.
And I can't feel my chest and the cold floor hits my feet.
But we touch more now than the past 6 months I'd say.
And we fuck more now than we never did before.
But as the sun comes up I'll sneak back out your door. (Your door)

And I'm still bitter for the way you've treated me.
Well like I didn't matter, you couldn't wait for me to leave
But I'm still here, I'm not waiting for a thing
It's just nice to see you around
And we're both finally getting thin.
And there's one thing now that's different from before

I'm not angry now,
yeah I'm not angry anymore,
Not angry anymore.
