

# Night Owl

Brock Berrigan

A catfish he tends to groove on the water  
It's just where he's bound to be  
And a monkey kinds of flashes on fruits and bananas  
So he lives in the top of a tree  
But my eyes are made for darkness  
And so the nighttime is right for me

Said I'm a night owl, honey  
Sleep all day long

Now most folks they like the good day time  
They like to see the shining sun  
They're up in the morning  
Off and running  
'Till they're too tired for having fun  
But when the sun goes down  
And them bright light shine  
My daytime has just begun

I'm a night owl, honey  
Sleep all day long

Said turn off that bright light, baby  
You're just about to drive me blind  
Draw them curtains for me, mama  
You watch and you'll see  
How my love light shines

Now, there's two sides to this  
Great big world  
And one of them is always night  
Hey, if you can take care of  
Business in the sunshine, baby  
I guess you're gonna be alright  
But don't come looking for string bean  
To lend you a hand  
Because my eyes they can't stand the light

No, I'm a night owl, honey  
Sleep all, sleep all day long

I said sleep all day long  
I'm a night owl, honey
