

# Praise You (Piano Version)

## Hannah Grace

We've come a long long way together  
Through the hard times and the good  
I have to celebrate you baby  
I have to praise you like I should  
We've come a long long way together  
Through the hard times and the good  
I have to celebrate you baby  
I have to praise you like I should  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you Like I should.  
You make me glad I'm a woman  
Cause you're a feeling thinking man  
And anytime I know you're needing  
I'm going to please you every way I can  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you like I should  
You're so rare  
so fine  
I'm so glad your mine  
You're so rare  
so fine  
I'm so glad your mine  
You're so rare  
so fine  
I'm so glad your mine  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you like I should  
I have to praise you like I should  
I have to praise you like I should
