

Under The Milky Way

Kill Hannah

Sometimes when this place gets kind of empty
Sound of their breath fades with the light
I think about the loveless fascination
Under the Milky Way tonight Lower the curtain down on Memphis
Lower the curtain down all right
I got no time for private consultation
Under the Milky Way tonight Wish I knew what you were looking for
Might have known what you would find
Wish I knew what you were looking for
Might have known what you would find And it's something quite peculiar
Something shimmering and white
Leads you here despite your destination
Under the Milky Way tonight Wish I knew what you were looking for
Might have known what you would find
Wish I knew what you were looking for
Might have known what you would find Under the Milky Way tonight
Under the Milky Way tonight
