Take Care

Marsha Ambrosius

Intro:
Uh, get here
I... (get here, get here)
Oh, I... (get here, get here)
Verse 1:
Get here, baby, right away
I got you a place to stay
And you won't ever wanna leave
Once you're here with me, yeah
And you can tell just how I feel
I been wanting you for real
And it don't take a lot to tell
That, boy, for you I fell so deep
(Deep, deep, deep, deep, deep, deep)
Oh, so
(Deep, deep, deep, deep, deep, deep)
Boy, I can't control that you got a hold on me, yeah
Chorus:
I (oh I) I wanna love you I need ya right now
Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me
Verse 2:
Oh, we don't gotta rush into
What we are about to do

Of you I can't get enough
I'm gonna make you fall in love
So good that I been seein' stars
All the way there so far
And it don't take a lot to see
That, boy, you're the one for me
(Me, me, me, me, me, me)
You're the one for me
(Me, me, me, me, me, me)
And, boy, I can't control that you got a hold on me
Chorus: (x2)
I (oh I) I wanna love you I need ya right now

Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me
Bridge:
I want to give all my love to you
You
Oh, I wanna stay to go
All the way
Chorus: (to fade out)
I (oh I) I wanna love you I need ya right now
Could you get here so you can take care of me
I (oh I) I wanna love you, so be on your way
Oh, baby, so you can take care of me
Of me, of me
