

I Can't Help Myself/Over the Rainbow

[Brett Smiley](#)

Sugar pie honey bunch you know that I love you
I can't help myself I love you and nobody else
Wanna tell in and out my life you come and go
Leaving just your picture behind
and I kissed it a thousand times
When you snap your finger or wink your eye I come a running to you
I'm tied to your apron strings and there's nothing I can do
Sugar pie honey bunch I'm weaker than a man should
be
I can't help myself I'm a fool in love you see
Wanna tell you I don't love you tell you that we're through and I've tried
But every time I see your face I get all choked up inside
When I call your name girl it starts the flame burning in
my heart
tearin it all apart no matter how I try my love
I cannot hide 'cause
