This Time I Know It's For Real

Young Divas

I love you
I love you
I love you
I love you
I love you so, baby
Gotta find a way just to let you know
Gotta find a way to get the message to you
What would I have to do to get you to notice me too?
Do I stand in line, one of a million admiring eyes
Walk a tightrope way up high
Write your name across the sky?
I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for real
Should I write or call your home
Shout it out with a megaphone, radio, TV news
Got to find a way to get the message to you
To say I love you with a neon sign, anything to make you mine
I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for real
I'm going crazy just to let you know
If I wait too long for you, I might explode, baby
I've been around the block enough to know
This time I know it's for real
This time, this time
Gotta find a way to get the message to you
This time, this time
Oh, baby
I'm going crazy just to let you know
I've been around the block enough to know
This time I know it's for real
Oh, baby
This time, this time
This time, this time
Oh, baby
This time, this time

Oh, baby
Walk a tightrope way up high
Write your name across the sky
I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you, I won't let go
This time I know it's for real
I'm going crazy just to let you know
If I waited too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real
