

One Place Too Long (feat. Hayden Panettiere)

Nashville Cast

Life is like a poplar tree
Some are the roots
Some are the leaves
Staying put ain't stuck with me
I slip out while the city sleeps I'm gone, gone, gone, gone
Well I'm gone, gone Soon as I get there
I've already left
I get high every mile
Wearing' out the treads
Kinda like the radio
Keeps playing different songs
I can't stay in one place too long
No, I can't stay in one place too long Change your pace
Change your scene
Might as well change everything
Call it running
Call it moving on
I don't care if it's right or wrong I'm gone, gone, gone, gone
Well I'm gone, gone, gone, gone Soon as I get there
I've already left
I get high every mile
Wearing' out the treads
Kinda like the radio
Keeps playing different songs
I can't stay in one place too long
No, I can't stay in one place too long Soon as I get there
I've already left
I get high every mile
Wearing' out the treads
Kinda like the radio
Keeps playing different songs
I can't stay in one place too long
No, I can't stay in one place too long
