

The Mighty Fall (feat. Big Sean)

Fall Out Boy

[Intro: Big Sean]

Oh god!

Sean Don

Fall Out...Boi![Verse 1: Patrick Stump]

Did-did you trip down 12 steps into Malibu

(Malibu, ooh, ooh, ooh,)

So why the hell is there a light that's keeping us forever

Bel Air baby, did you get dressed up,

Pretty pout, pout

While you bottomed out (out, out, out, oh)

I can't stop it when there's chemicals keeping us together

Uh, uh, uh, I'm singing[Hook]

Whoa

How the mighty fall (hey)

The mighty fall

The mighty fall

They fall in love

How the mighty fall

The mighty fall

The mighty fall

Oh how the mighty fall in love[Verse 2]

Your crooked love is just a pyramid scheme

And I'm dizzy on dreams (and I'm dizzy on dreams)

But if you ask me two's a whole lot lonelier than one

Baby we should have left our love in the gutter where we found it

(Gutter where we found it)

Cause you think, you think your only crime is that you got caught

I'm singing...[Hook][Bridge]

It's getting clear

You'll never coming clean

So let me lock you up inside and swallow, swallow the key[Verse 3: Big Sean]

Hello?

Yeah I know you said not to call unless I'm dying

But I'm driving and I can't stop staring at my eyelids

But even though my eyes closed, I still see you

I just hope when you see me I'm not see-through

You know how we doSome times I swear, I need a day just for me to lay

With some T and A, but the way we, they way we do is deeper

Baby straight up chemistry DNA

Make me wanna give you every dollar out my B of A
Like, I let her climb on top
I'm either fuckin or workin', so the grind don't stop
They say I got screws missing, well hell, only when I'm missing you
And hell yeah I'm a dick, girl, addicted to you[Hook]
