

Keep On Runnin' (Crawlin' Black Spider)

Cat Power

When will you do what you say you'll do?

How could you really do it?

Why you keep on running?

Baby settle down

Why you keep on running?

You'll lose your home

Why you keep on running?

Baby settle down

Why you keep on running?

Run on, run on. You'll rule your den. Crawlin black spider baby

Crawlin black spider Got me to crawl on baby with the grass was very high

Just keep on crawlin till the day I die Crawlin black spider When will you do what you say you'll do?

How could you really do it?

Why you keep on running?

Baby settle down

Why you keep on running?

You'll lose your home

Why you keep on running?

Baby settle down

Why you keep on running?

Run on, run on and you'll rule your day Crawlin' black spider
