

Ready

Kodamine

You tell me that you're ready, but you just don't know
My eyes are getting heavy, and it's starting to show
I never seen it coming, never seen a thing
Maybe I get through whatever is coming to me

'Cause I been so lucky, I don't know what to say
I'm running out of money, I been wasting away
I never seen it coming, never seen a thing
Maybe I get through whatever is coming to me

We fall (we fall down)
If we fall (we fall down)
If we fall down, I, I'll be ready to crawl

I'm ready, I am ready for it
I'm ready, I am ready for it
I'm ready, I am ready for it all

Look me in the eye when I'm talking to you
It's easy to get nervous, I've been feeling it too
Yeah it's kinda crazy, yeah it's kinda dumb
But never let the pressure over ...

Yeah, I'm sure your parents probably said it to you
Follow what you love, and you will love what you do
Never let the pressure tell you that you're not
Capable of being everything that you want
