A.S.D.

Dynamite Hack

just another shitty day
and you're not here with me
i don't know where you are
you're probably out drinking
with somebody else
it always works the same:
took you in my arms
and lied to you
and told you how i thought
that you would want me to feel
so what do you want to know
there's nothing left to say
you wouldn't believe me anyway
